Bootcamp

08.08-26.08, 2022

Apply for a FREE 3-week Salesforce Bootcamp
and get a job offer from Ideaport Riga
following a successful completion

Bootcamp Details

Location: Dārziema 91, Ideaport Riga office

Workshop format: 3-weeks long,
9:00-16:30, Monday-Friday

During study time participants implement projects in authentic, true-to-life scenarios.

The main thing is making the learning process both fun and interactive by organizing it in a way that mirrors real project work instead of the usual dry 'theory & test' approach.

At the end of the bootcamp you will face an extra challenge, which will represent

Who can apply

As training time is limited, you will need some basic knowledge in IT

So if you are:

- A student of computer science? Yep, 1st year also counts :)
 - An IT geek who wants to gain knowledge in Salesforce?
 - Someone with a separate specialization in IT who wants to change career focus?
- Hurry up to claim your golden ticket to a new life!

What you will get

- A true-to-life project, professionals side-by-side with you, priceless experience, and practical knowledge in a real IT office environment
- A job offer from Ideaport Riga following a successfully completed workshop.
- Free lunches every day
- Two tickets to the cinema to celebrate the start of your new career (after successfully passing the entrance interview)
- Practice papers for your university, if necessary
- A cool reward for the best student
- Rooftop party with your instructors and potential employer and co-workers
