# Plickers

The image displays two screenshots of the Plickers web interface, demonstrating its functionality for managing classes and questions.

**Left Screenshot (Classes View):** The interface shows a grid of class cards. Each card displays a class name (e.g., 10 A, 10 B, 10 liet, 11 B, 11 liet, 5A, 5B, 5C, 6 a klase, 7A kl, 7a liet, 7b, 7b liet, 8 liet, 8A, 9a liet, 9b liet, Demo Class) and the number of students (e.g., 0 students, 1 student, 3 students, 1 student). A 'Palīdzība' (Help) button is visible in the bottom right corner.

**Right Screenshot (Library View):** The interface shows a list of question cards. Each card displays a question title (e.g., 'kā sauc šo dzīvnieku', 'Madagaskarā dzīvo', 'dzelzsnāvētājs akācijas ēd', 'baobabi aug'), a question image, and multiple-choice options (A, B, C, D). A 'Palīdzība' (Help) button is visible in the bottom right corner.
